About Honeywell

Honeywell is a Fortune-100 Company that is based out of New Jersey, US. Honeywell Scanning and Mobility is a leading manufacturer of Data Capture Automation Products such as – Barcode Scanners, Rugged Mobile Computers, RFID Products and Barcode Printers.

Leading the Change with Honeywell

Honeywell will take you through the Mobility and Scanning solutions that will streamline and automate your day-to-day operations in order to increase productivity and efficiency.

Honeywell's end-to-end solutions can be configured to meet the needs of manufacturing professionals, giving a complete picture of operations and allowing workflows that optimize productivity and improve accuracy.

Honeywell's product portfolio is one of the broadest in the AIDC industry. You will be introduced to the full range of products of the leading manufacturer of high-performance image- and laser-based data collection hardware, including rugged mobile computers and bar code scanners.
